Treasurer Report:

We have enough for two full scholarships. There are some expenses coming up i.e. maintenance. We've already paid for Padres tickets and still have 10K balance.

Registration:

Registration deadline has been extended for early bird registration.

Old Business:

Mystic fields are ours two days out of the week. Marie would like to increase that. Therefore we would have the fields entirely for Memorial Day weekend. We can either hold onto Serra Mesa or consider letting go of some time there. We needed more practice fields and this helps with that.

New Business:

We currently have 199 or so registered. We have enough for one 14U team. Travel ball try-outs will influence this number. Matt suggested contacting other leagues to have any 14U's come over.

We have enough girls for:

4-5 10u's

5-12U's

5- 8U

3 for 6's

10's we are slim on coaches.

6's we are also slim for coaches.

As far as registering after the first day, we'll keep the process as it was last year.

14U: Kevin Wiggins, Mylende motioned and Geno seconds it. Motion approved.

12U: As slated, Gerald motion to approve, Jackie seconds. Motion approved.

10U: As slated Mary Ellen motions. Motion approved.

Unbiased assessors: Justin Pallamary can assess the 10U's and DJ Brancheau will assess 8U. Kevin Wiggins will assess the 12U's.

ASA clinic is February 15th.

Opening day has been moved back to February 22nd.

There will be a mandatory coaches/manager's meeting on February 7th at 6:30 at Senior Center.

Draft may also be at North Clairemont Rec. at the Senior Center.

Umpire and Chief position is still vacant.

Red diamond sweatshirt will still be in effect.

Marie brought up the issue of having a 12U travel team play under CGFP. Pros and cons were discussed. This was attempted several years ago, but it was not smooth.
