1. Flyers have been posted on Peach Jar for the spring registration. Targeted 16 schools. 11 distributed, 2 Declined and 3 are pending approval.
2. Tiffany White is working on the All-Star Tournament Flyer. She is also rebuilding the website. Ok'd to purchase necessary plug-ins and items for the new site.

New Business

1. Jacob Poole and Jim Sierens expressed concerns with players playing out of age division during Fall Ball. Was under the impression that Fall Ball was a continuation of Spring Season so players played in the same division as Spring. Was suggested that the Fall Ball coordinator record all rules once Fall Ball season is over to clear up any confusion.
2. Jim Sierens mentioned managers/coaches are not wetting the fields prior to dragging.
3. A parent of the league who is an electrician is currently repairing pitching machines. Hope to have all pitching machines in working order shortly.
4. Suggestions to changes in the verbiage on the website for Pitching Assessments. To state "All Pitchers must be assessed or you will not be able to pitch in Spring."

Meeting adjourned at: 7:50pm
